Dear Future St. Helen Catholic School Parents,

We would like to personally thank you for your dedication to Catholic education and for choosing to send your child to St. Helen Catholic School. Because we know that by making the choice of a Catholic School you are sacrificing other things, we make every attempt to maintain our expenses and to keep all costs as low as possible. At the same time, we are determined to keep the very best, highly qualified staff. We believe you will be pleased with the care and quality of education your child receives at St. Helen.

Enclosed is a registration packet with a fee list outlining all of the fees and tuition for 2017-2018. Please complete and return all of the forms included, with the exception of the extended day form (to be completed only if you are registering your child for that program), on the dates indicated on the registration schedule.

If for any reason you feel you must discuss financial assistance, we are happy to talk with you and attempt to assist you so that your child may join the St. Helen family. FACTS manages financial aid for the Diocese. Applications are due before February 10th for the first round of aid. (Visit www.choosecatholicschools.org for an online application.) If applying, please submit a paper copy of your application to the school for the campus' financial aid consideration.

As a gentle reminder to parents of students in PK3, PK4, and Kindergarten, we require that these students be completely potty trained. See “New Student” procedures for potty training definitions.

Again, your patronage is very much appreciated. We thank you for choosing St. Helen Catholic School to help your children “grow in wisdom, age and grace.” We know that your investment is one that will pay great dividends in your child's future!

God's Blessings,
