

Dear Parents:

Congratulations, your child is moving on up to second grade! In order to help students retain the material taught this past school year and prepare for second grade, I will be offering summer tutoring. My goal is to help the students work through their summer workbooks and review their required summer reading material. Each session will be an hour long, Monday through Friday, from 10:00-11:00am. We will be meeting June 12th - 16th at the Pearland Library, off of Liberty Drive. In order to provide adequate time for a more personalized tutoring session, I will only be accepting six students per week. The fee will be \$100 cash for the week (5 sessions) and is due with this completed form to reserve your child's spot. Thank you for allowing me to continue to learn and grow with your child. If you have any questions or would like to schedule private tutoring, please feel free to email me at canino.nadia@gmail.com.

Blessings,

Nadia Canino
