It's time to get off the couch and move your feet! Steps for Students is gearing up for another great year. Steps for Students is a family oriented 5K Run/ Walk fundraiser hosted by the Archdiocese of Galveston-Houston through the heart of downtown Houston. Students and families from all across the Greater Houston and surrounding areas come together to bring awareness and raise funds for Catholic Education. Each year our team gathers to discuss the wants and need of our students. This year our Steps for Students funds will be put towards the Athletic/ Academic Competition Department, which provides students at St. Helen Catholic School the opportunity to participate in a variety of sports and academic competitions throughout the school year. Our students not only learn new and valuable skills, but the meaning of teamwork and dedication through a Christ-centered environment.
