**Math/Literacy Summer Packet**  
**Incoming PreK 3 2023-2024**

Please send back the completed packet when your child returns to school in August.

Thank You.

A handwritten signature in blue ink, consisting of a stylized 'R' followed by a flourish.

Dear incoming PK-3 parents,

Welcome to SHCS! Inside this packet, you will find a variety of activities in writing, mathematics and fine motor skills activities. We encourage you to have a set of number and letter flash cards at home for number and letter recognition as well as letter sounds practice. These activities will assist in getting your child ready for PK-3! Take your time spreading these activities throughout the summer. Please revisit activities your child may not be confident in. A repetition of the activities will make for a stronger start to your child's school year.

**Fine motor skills are especially important to visit over the summer!** It is encouraged that your child has authentic play experiences, limiting screen time. Encourage and partake in activities with your student such as reading books, playing outside, drawing pictures, building towers, and engaging in dramatic play.

If you have any questions, don't hesitate to ask. Have a wonderful summer!

Blessings,

Mrs. Gonzalez

PK-3 Teacher
