About the Backpack Buddy Program

Many children who rely on free or reduced lunches during the school year go home to meager or no meals on weekends. The Houston Food Bank's Backpack Buddy program works to fill that gap.

On Fridays, at participating schools and other locations, children take home child-friendly, nonperishable, easily consumed and vitamin fortified food.

The food is given to the children discreetly, to avoid unwanted attention.

(This service project is sponsored by the St. Helen Catholic School chapter of the National Junior Honor Society.)
