

Mrs. Keister's Summer Tutoring!

Hello Parents, I am happy to offer **summer tutorials** on campus on Tuesdays and Thursdays (between the hours of 9:00-2:00p.m.) starting June 4th -27th. If your child is preparing for PreK and Kindergarten for the next school year and in need of help, I can assist!

Each child's need is different. Your child might require help to **improve academic skills** in the areas of **reading and math**...or you might just want your child to **get ahead** with academic skills - I can tailor a program to meet your child's skill levels and needs! Students receiving tutoring services will have **one on one attention**. If your child has a summer packet, we can work on that too. **The fee for the summer tutorial is \$320 dollars for all 8 sessions. As soon as I received your confirmation email, I will send you my Zelle info. Thank you.**

Space is very limited, as I am only accepting 10 students. If you're interested, please email me immediately at lkeister@sthelencatholicschool.org. Please indicate the time(s) you want your child to attend. Please fill out and return to school. Thank you.
