

Traveling Chalice

The purpose of the Traveling Chalice Program is to encourage families to pray for vocations as a family and to promote vocations within the family. Each week a student from St. Helen Catholic School, along with his or her family, will receive the Traveling Chalice at Friday morning Mass. They will have the chalice for a week and should place it in a prominent place in their home to serve as a reminder of the importance of their prayers. We ask that families pray for vocations within our Church, but most especially, for an increase in vocations to the priesthood and religious life which is so needed today. Participating families will also have the opportunity to journal about their experiences.

If your family is interested in participating, please provide the information indicated below and return it to the school office ASAP. We will notify you in the following week of your assigned week. ***Please make note of your week as it is difficult to find last minute replacements, and we are not able to reschedule families.*** If you have any questions, please contact Colleen Kallestad at 508-525-2090 or Clmry79@gmail.com.
